## Take survey on Beacon Free Loop

By Kristine Coulter

The Beacon Free Loop was launched in 2018 and now feedback is again being asked for about riders' satisfaction with the service. The bus service runs from 6 a.m. – 9 p.m. Monday through Saturday.

"We welcome input from both local riders and visitors to enhance our service and gain insights into its utilization," said Kelly Ellenwood, who helped to organize the Beacon Free Loop.

According to Ellenwood and the Free Loop team, the survey has been open since May. The survey link may be found at <https://forms.gle/M1NScyVh4coZ9qsA8>. Link to Dutchess County Transit homepage: <https://www.dutchessny.gov/Departments/Public-Transit/Public-Transit.htm>.

"This survey aims to better understand riding habits of all Free Loop patrons, as well as the points of improvement. Additionally, a report has been concluded at the end of last May and a full report will be made to the City Council in late winter 2024," stated a release. Ellenwood noted, "We're gathering survey responses to present to the City Council, enabling them to suggest changes."

Ellenwood remarked, "A key improvement lies in our enhanced communication through social media, surveys, and service information, making it easier for everyone to access and utilize this valuable resource. We are grateful for the service of the Marist student group NorthRoad Communications who has been an invaluable partner in helping us communicate and strategize."

The Free Loop is another way for residents, visitors and tourists to see the city of Beacon and its most popular locations. The Beacon Free Loop is a free bus service that was developed in five years ago in collaboration with the Beacon Arts, Dutchess County Transit, North Road Communications and the City of Beacon, according to the release.

There is a QR code which will link anyone who wants to take the survey. The code is found in bus shelters and on the Beacon Free Loop.

Make sure to fill out the survey before 11:59 p.m. on December 1.

"Despite the impact of COVID, we're celebrating five years of this transformative community service," said Ellenwood.

## Holiday activities, tree lighting ceremonies set for weekend in Wappingers Falls, Beacon

By Kristine Coulter

The City of Beacon will be holding its 6th Annual Christmas Tree Lighting on November 25, from 4 – 7 p.m., at a new location, Memorial Park, near the pavilion, on Robert Cahill Dr., in Beacon.

In Wappingers Falls, the Holiday Lights Parade and Tree Lighting will take place on November 25, at 6 p.m., at Mesier Park, off of East Main St., in the village.

**Holiday event planned in Beacon**

Come by and pick up an ornament kit, enjoy hot chocolate and a cookie, and listen to Christmas carols sung by local Boy Scout and Girl Scout troops, suggested Rhonda Altonen, one of the organizers for the annual event. The Christmas tree will be lit at dusk (approximately 5:50 p.m.) and meet Santa!

So, what can people expect if they attend the annual Christmas Tree Lighting?

"A fun, free, family event, with music, dancing, [and] giveaways; it's a lovely way to usher in the Christmas/Holiday Season," remarked Altonen.

As for the new location at Memorial Park, Altonen stated there will be "more space, better parking, [more] visibility, and greater access for all attendees."

She explained, "We knew that if the event continued to grow, we would need more space. Construction/renovations of the Lewis Tompkins Hose [Firehouse]

also contributed, as they would need space for equipment."

All donations from our local businesses are gratefully accepted, it was stated. "We have ornament and s'mores kits for the

kids, and free raffles donated by our local Beacon businesses," said Altonen.

If you're looking for an amazing example of a locally-owned business that started small and has evolved into one of the largest facilities of its kind in the country, then take a look at Viscount Wines and Liquor in the Town of Wappinger.

Viscount's 40,000-square foot location with selections that include over 8,000

different brands easily makes the 49-year-old firm the largest wine and liquor store in the Hudson Valley.

But Viscount's growth over the decades is not just about its size. Original owner Michael Visconti and wine manager Peter Landolt created relationships with suppliers and importers that allowed the store to stock the best available wines at the best

prices – in turn allowing the customers access to wines and prices unknown in the Hudson Valley. Viscount also started a loyalty program in 2006 that rewarded customers for regular shopping. That program continues to this day.

Council, City of Beacon Department of Recreation, Beacon Scout troops, School of Rock, Yanarella School of Dance, and the Beacon Salvation Army, Altonen said. The City of Beacon Recreation Department and the Tree Lighting Committee plan the event.

Why is Beacon a great place to host an event like this?

"The community always comes out to support our local events, and this is our

6th year. We have visitors from other areas come to attend. We maintain the small town feel and traditions, keeping our childhood memories alive," said Altonen. She added: "Come out and join us for some good, old-fashioned, family fun, make it part of your traditions and have a happy holiday!"

## Holiday parade takes shape in Wappingers Falls

"The holiday tree lighting will include a holiday light parade that will travel from Elm St. on 9D North to Meiser

Park," said John Tyliszczak, who is on the Wappingers Falls Village Board and liaison to the Recreation Committee. "The parade will include many of local businesses, village vehicles and civic groups, think Scouts, and the parade will deliver Santa to the park gazebo where children may visit him and Mrs. Claus," he said.

There will also be refreshments available for sale and a DJ playing holiday-themed music, Tyliszczak noted.

The event is free and is sponsored by the village.

"This event is a village tradition. It's a time for neighbors to come together to mark the start of the holiday season," remarked Tyliszczak.

"Two items of additional interest, first any business or organization is welcome to join the holiday parade. No registration is required -- just a good holiday spirit," he said. "Also, for residents who celebrate Chanukkah, there will be a Menorah lighting at Meiser Park on December 11 at 6 p.m. All are welcome to attend."

# O'Neil appoints Pulver new County Comptroller; Lois takes role as New York State Deputy Comptroller

Following the resignation announcement from Comptroller Robin Lois, Dutchess County Executive William F.X. O'Neil has announced he will appoint Gregg Pulver to serve as County Comptroller beginning December 31. Pulver currently serves as Chairman of the Dutchess County Legislature. The County Executive will forward the appointment resolution to the County

Legislature for approval at its December 18 Board Meeting.

County Executive O'Neil said, "Congratulations to Robin Lois as she takes on this new role as Deputy Comptroller for New York State. We thank her for her years of service to the residents of Dutchess County and I am certain Robin will keep a keen eye on the State's finances, as she has for Dutchess

County since 2018. We wish her the best and look forward to continuing to work with her in this new capacity."

"I am also pleased to be able to appoint Gregg Pulver to the Comptroller position for a seamless transition," continued County Executive O'Neil. "For decades, Gregg Pulver has committed himself to service to the residents of Dutchess County, and I'm proud to appoint him as our next County Comptroller. Gregg has gained invaluable experience and insight into the financial operations and management of government - as a school board member, town supervisor, and as a County legislator - and he'll bring that expertise into this new role, to the benefit of our residents. We are fortunate to have someone with a proven track record of conservative fiscal stewardship overseeing this vital role."

The resignation of Robin Lois, who is stepping down as Dutchess County Comptroller to serve as New York State

Deputy Comptroller, will be effective Dec. 30. To fill the vacancy, the County Executive is charged with appointing a new County Comptroller, as prescribed in the Dutchess County Charter. Mr. Pulver's appointment, which must be confirmed by the County Legislature, will take effect Dec. 31 and will run through Dec. 31, 2024. The Charter calls for an election to be held in November 2024 to fill out the remainder of the current four-year term, which runs through Dec. 31, 2025. The regularly scheduled general election in November 2025 will be held for a new four-year term, which will commence Jan. 1, 2026.

The Comptroller functions as chief accounting and auditing officer of the County. As a countywide elected official, the Comptroller is directly accountable to the taxpayers and voters of Dutchess County; as such, the Comptroller's Office is not an agency of the Executive or Legislative branches.

### SMALL BUSINESS SATURDAY

# Viscount family embraces amazing growth and supporting community

Continued from cover

Add in the facts that many employees have been with the store for more than 15-20 years, plus their commitment to the community has resulted in thousands of donations – and you have a true “family-run” and caring business with individuals who are rightfully pleased with what they have accomplished.

#### The beginning

This all started back in 1974 when Michael Visconti opened Viscount Wines and Liquor in the Dutchess Mall in Fishkill.

Matthew Landolt, part owner and store manager since 2003, notes that “The size of the retail space did not foreshadow the eventual growth of the store. Michael’s vision of the value of a growing American interest in fine wine led him to distinguish his store from other area liquor stores.”

He hired Peter Landolt in 1986 to create a wine department. “Peter curated a fine wine selection that gave Viscount the best wine selection in the Hudson Valley,” said Matthew.

This, in turn, led to Michael’s decision to move the store in 1998 to the Town of Wappinger to a 40,000-square foot location (previously Lloyd’s Lumber and then Frank’s Nursery). They even expanded the sales floor by turning part of the warehouse into selling space and creating a temperature-controlled room in 2000.

#### Peter Landolt – wine curator, educator

Matthew pointed out that Peter had previously worked at two fine wine stores in Westchester County.

“His wine expertise is a combination of an innate ability, a huge amount of education in the field, and the one area that most promotes wine knowledge - tasting wine regularly,” said Matthew. “His ability to create a wine selection that did not rely totally on major popular brands helped create a customer base that loved wines from all over the world – not just California. He also stressed that the wine staff taste wines as a team to ensure continuing education.”

#### Dedication counts

Viscount has also thrived over the years because of a dedicated and talented staff. Michael hired Carol Torresson in 1996 to write a store newsletter, and she became his executive assistant. She ended up handling almost all accounting, human resource, IT, and other administrative issues for the store.

In 2021, Michael sold the store to Peter, Carol, and Peter’s brother, Matthew. Other

managerial staff include Daniel Mochon (started 2000), Jacqueline Riordan (started 2007), and Patricia Cornwell (started 2008).

In addition, many other long-term staff – wine sales, warehouse, and cashiers – keep the store running every day and may be the faces that customers know best.

“As the store and its’ staff grew, Michael and Matthew stressed the importance of staff retention as a means to ensure excellent customer service,” said Peter.

Viscount currently has 36 employees, 16 of whom are full-time. One employee, Warehouse Supervisor Ray Lefever started with Michael in 1974 and is still at the store 49 years later.

Four employees have over 20 years’ experience. Six others have over 15 years of experience, and eight employees have over seven years of experience. “This level of longevity is certainly a key to the store’s success and high degree of customer service,” said Peter.

Viscount has truly been a “family-run business” in every sense of the term with seven Viscontis, eight Landolts and four Torressons having worked at the store over the years. Many other families in the area have had more than one member working at Viscount.

#### Giving back

But Viscount is also part of the fabric of the community with individuals who understand the philosophy of “giving back.”

“We are grateful to the community that has supported us for almost 50 years and we are honored to support our community in return,” said Carol. “Throughout Viscount’s history, our commitment to this principle has resulted in donations to hundreds of organizations every year throughout the Hudson Valley, as well as significant fundraising efforts that include over \$2 million raised for the former St. Francis Hospital and, most recently, almost \$40,000 raised for student scholarships through the Hope For Youth Foundation.”

Additionally, Viscount has created its “Veterans for Veterans” (V4V) program to give veterans the opportunity to “pay it forward” to other veterans.

The program allows all military (active, reserve, guard, veteran and retired) the option of receiving their well-deserved discount, or the option of donating it to the local Disabled American Veterans (DAV) chapter 144, run by John Masselli and his dedicated staff.

Peter Landolt curated a fine wine selection that has given Viscount the best wine selection in the Hudson Valley. A key part of Landolt’s process stressed that the wine staff taste wines as a team to ensure continuing education.

### We cannot let Ukraine fall victim to Russia

#### To the Editor:

Like most everyone, our dismay and concerns for the immediate future have grown exponentially with the further spiral of disorder and hate launched after Hamas's horrific 10/7 attacks upon innocent civilians and the resulting open warfare in Gaza with Palestinian civilians trapped in the middle.

Rather than uniting the world against the purveyors of hate – Russia and its Iranian Theocratic allies – on all of the fronts of conflict, these attacks have compartmentalized our attention span and divided our societies. Russia still plans for victory in Ukraine by outlasting the West, and the diversion of U.S. weapons and ammunition and the near complete disappearance of Ukraine news from many outlets. This has Putin smiling over his 10/7 birthday present, and Iran no longer needs to worry about Saudi Arabia normalizing relations with Israel creating an alternate pro Western trajectory for the region.

While we acknowledge the complexity, some steps forward are more obvious than others. First among these is ensuring Russia's defeat in Ukraine. The victory of democratic values over barbaric authoritarianism remains in our core national interest, and in this goal, all of us can play a role. The Hudson Valley sent a bi-partisan delegation to Congress. We must urge our Representatives Molinaro, Lawler and Ryan to get U.S. aid for Ukraine funded through the House of Representatives at the level the moment and our future security requires.

Leaders and analysts across the political spectrum have called this defeat of Russia in Ukraine via our weapons and ammunition the best investment in our security we could ever make. Ordinary people from across our region have stepped up in extraordinary ways to support Ukrainians. We cannot let Ukraine fall victim to Russia aided by our indifference or partisan politics. Please call or write to them today as defeat of Russia on this front will deal a blow to violence in all regions being driven by it.

## Impaired driving crackdown runs November 22-26

Law enforcement agencies throughout Dutchess County will participate in a special enforcement effort to crack down on impaired driving to coincide with the national Thanksgiving holiday. The statewide STOP-DWI High Visibility Enforcement Campaign effort starts on Wednesday, Nov. 22 and will end on Sunday, Nov. 26.

Various law enforcement agencies will collaborate across the state and will be out in force in this coordinated effort to reduce the number of alcohol-related injuries and deaths during this period.

The Thanksgiving holiday period is among the most active on U.S. roadways, with the American Automobile Association estimating some 55 million motorists traveled for the holiday in 2019,

the vast majority of whom drove to their destination. According to the National Safety Council, 29 percent of driving fatalities during the 2019 Thanksgiving holiday period involved an alcohol-impaired driver.

While STOP-DWI efforts across New York have led to significant reductions in the numbers of alcohol- and drug-related fatalities, still too many lives are being lost because of crashes caused by drunk or impaired drivers. Highly visible and publicized efforts like the STOP-DWI Crackdown Campaign aim to further reduce the incidence of drunk and impaired driving. Residents can make a difference with a sober plan by downloading the "Have a Plan" mobile app.

## MRC to host active shooter and preparedness training on Nov. 28

The Medical Reserve Corps (MRC) of Dutchess County will offer a free Active Shooter & Stop the Bleed Preparedness training on Tuesday, Nov. 28, at 6 p.m. at the Dutchess County Emergency Response Center, located at 392 Creek Road in Poughkeepsie. The training is free and open to the public. Seating is limited; reservations are required by emailing mrc@dutchessny.gov.

The training will be presented in partnership with the Dutchess County Sheriff's Office and will focus on how the average citizen should respond if an active shooter is in their vicinity, how to best protect themselves depending on the scenario, and what to expect once law

enforcement arrives.

The popular Stop the Bleed training, which is included in the evening's curriculum, will focus on how to identify and effectively control life-threatening bleeding in an emergency.

Comprised of both healthcare and non-healthcare volunteers, Dutchess MRC is part of a national network of more than 200,000 volunteers dedicated to supporting public health infrastructure as well as disaster preparedness and response in the community. Dutchess MRC hosts various trainings for members and non-members alike throughout the year. For more information or to sign-up to volunteer, visit dutchessny.gov/mrc.

New Executive Director Mary Lou Carolan emphasized the pivotal role that all programs within Cornell Cooperative Extension Dutchess County (CCEDC) play in local communities during her address at the 110th annual meeting of the organization on Thursday, Nov. 16.

"We have a steadfast commitment to meet the needs of Dutchess County," she said. "And all of our programs are inter-dependent. No program stands alone. We all work together to serve our communities."

She discussed a variety of creative ini-

tatives, but cited the three key principles of connection, collaboration and community as being the guiding roles for all areas.

"We also want to get to know everyone – and that includes farms, businesses and organizations," she said.

Inspiring stories of impact by CCEDC programs were presented by Tomasine Oliphant, MSW of the SUNY Dutchess Human Services Program and Green Team Program manager Samantha Brittain.

The "Honor of the Year" Extension Award was presented to Matthew Shayly of the Community Fresh Produce Project.

# Legislature committee proposes salary raises for elected county officials

Members of the Dutchess County Legislature Budget, Finance and Personnel Committee have offered an amendment to the Fiscal Year 2024 Budget that would increase salaries for elected officials in County Office.

A public hearing on the proposed County Budget will be held on December 4 at 7 p.m. in the Legislature Chambers on the 6th Floor of the County Office Building. The full County Legislature will vote to approve the County Budget on December 7.

Positions that would be receiving increases include: County Executive, Sheriff, Clerk, Comptroller, Legislator, Chair of the Legislature, Majority and Minority Leaders, and Assistant Majority and Minorities Leaders.

Budget, Finance, and Personnel Committee Chairman Michael Polasek performed extensive research on the topic, comparing the Dutchess County salaries to surrounding counties in the Hudson Valley. He said his findings showed that Dutchess County positions salaries were on-average \$25,000 less than those in other counties in the region.

Polasek said, "I conducted an exhaus-

tive review of salaries for other elected officials in the Hudson Valley region and reviewed County contractual raises over the past twenty years. Further, had legislators' salaries followed Dutchess' largest collective bargaining unit's annual COLA increase (not factoring in merit-based raises) for the past 20 years, a legislator would be compensated roughly \$25,000. Additionally, that number is almost identical to the United States Bureau of Labor Statistics CPI Inflation rate for that span of time. For those reasons, we believe it was fair and equitable to the hardworking elected officials in their next term and I am pleased it garnered bipartisan support."

Democratic legislators opposed the proposed salary increases. Minority Leader Yvette Valdés Smith said, "I will not vote for these pay raises. I believe in a living wage for all, and I know how much we all give as public servants. However, this huge increase in salaries cannot be justified."

Legislator Kristofer Munn said "Last year the Republicans stuffed a \$25M giveaway for luxury stadium improvements into the budget at the last minute

with no notice and no transparency - we opposed it. In January, they changed the law to allow them to change salaries after Election Day - we opposed it.

And now they have voted for higher salaries - again as an amendment dropped at the last minute."

# Joe Owens - A Veteran for the Ages

By Ken Cerino

## Wappingers Historical Society

The Village of Wappingers Falls lost a special native with the passing of Joseph John (Joe) Owens at his daughter's home in Maryland on Monday, November 6.

A member of the Greatest Generation, he was 99 years and 4 months old.

Joe graduated from Wappingers Central High School in June of 1942 and immediately enlisted in the Army Air Forces Corps on his 18th birthday (July 6) a few weeks later.

Early in 1944, Joe was assigned to a 10-person crew as a ball turret gunner on a B-17 Flying Fortress.

On June 14 (eight days after D-Day) Joe (who was a 19-year-old Sergeant on his second mission) and his mates were shot down by a German Messerschmitt 109 fighter aircraft as they neared their target at the Le Bourget airfield outside of Paris.

One of the last to bail out, Joe was rescued by a member of the French Resistance where he remained hidden from the enemy for 74 days. Five days later on Aug. 31, 1944, he boarded an Army truck, then a flight to London for debriefing, eventually returning to the United States in early October.

While on furlough, Joe married Helen Dotterer Owens on June 17, 1945, prior to being discharged from the service on November 4 of that year. They were

married for 63 years before Helen passed away in Florida in 2007.

Joe graduated from Clarkson College (NY) in 1950 with a degree in Civil Engineering before embarking on a long career in the construction field. Joe would eventually become the owner of a construction company.

He also was a member of the Knights of Columbus, Hope Hose Fire Company, Rotary, 401st Bomb Group, and the Air Forces Escape and Evasions Society.

Joe met June Hoffman Hauver in 2009 and the two became companions before she passed away on May 11, 2022, at the retirement community where they both resided in Florida.

Joe was the son of Philomena Contelmo Van Benschoten (who was well-known in the Village) and John Owens, and the stepson of Carl Van Benschoten.

Besides his daughter Sandra and her husband Charles (Ed) Meyer, Joe is survived by two grandchildren Cindy Jordan (Jeromy) and Chris Meyer, and two great-grandchildren Rachel and Matthew Jordan.

A Memorial Service for Joe will be held next spring where he will be buried in the Florida National Cemetery in Bushnell next to his wife Helen.

Joe Owens, who lived for almost eight decades after being shot out of a plane over France, was truly a remarkable person who enjoyed a remarkable life.

## Community organizations work together

The volunteers of the Nifty Thrifty Shop thank the Rotary Club of Fishkill for the donation of a new store sign. Years ago, Fishkill Rotarians donated a store sign for the thrift store. When the Rotary Club of Fishkill Rotarians learned that the original sign they donated needed to be replaced due to wear and tear, they came to the rescue and donated a new sign.

The Nifty Thrifty Shop, 1004 Main St., in Fishkill takes in donations (clothes, small houseware items) from the community and sells them. At the end of the year, the proceeds from the sales of these items (after expenses) are given to local charities. All the "workers" in the store are volunteers, including all of the board members.

The store also serves as a benefit to the community in another way since it allows customers to purchase clothes and merchandise at reduced prices.

The Nifty Thrifty Shop volunteers offer thanks to the Rotarians for their actions showing community organizations working together.

Her artistic accomplishment and community-driven spirit make her an ideal fit for the role of Director of Development at The Bannerman Castle Trust.

The Bannerman Castle Trust is a non-profit organization dedicated to the preservation and restoration of Bannerman Castle, an iconic structure nestled on Pollepel Island in the Hudson River. As the Director of Development, Kelly will play a pivotal role in advancing the trust's mission and ensuring the sustained cultural and historical significance of Bannerman Castle.

"We are delighted to welcome Kelly Ellenwood to our team as the Director of Development. Her proven track record in fundraising and dedication to the history and culture in the Hudson Valley make her an ideal leader for this crucial role," said Neil Caplan, Founder and Executive

Director of the Bannerman Castle Trust. "With Kelly's expertise, we are confident in our ability to secure the resources necessary to safeguard and enhance the legacy of Bannerman Castle for generations to come."

To celebrate Kelly's new role and to kick off the holiday season, the Bannerman Castle Trust is hosting a benefit performance of A Christmas Carol at the iconic Mahoney's Irish Pub in Poughkeepsie on Thursday, November 30. Attendees can look forward to an enchanting evening of festive cheer performed by Theatre on the Road, directed by Frank Marquette and starring regional favorite Dan Anderson as Scrooge. Come dressed as a Dickens character and win a prize at the end of the performance!

"We invite the community to come together and support the preservation of Bannerman Castle while enjoying the magic of the holiday season. Your participation in the A Christmas Carol benefit dinner theater performance will directly contribute to the ongoing efforts to stabilize and enhance the Castle and the Island for future generations," remarked Ellenwood, "I'm so honored to be a part of the incredible team at the Bannerman Castle Trust, and I look forward to serving our region and our local community."

In a nod to the legacy of the late Lillian Vernon, a famed Westchester entrepreneur and trailblazer known for her commitment to community, the Women's Enterprise Development Center (WEDC) has named its 2023 Lillian Vernon Awards winners.

Receiving the honor this year, at a reception in Peekskill, were Filomena Fanelli, CEO and founder of Impact PR & Communications in Poughkeepsie, and Amy Hall, owner of Hudson Valley Books for Humanity in Ossining.

Lillian Vernon's son, David Hochberg, was on hand for the ceremony and to present the awards, alongside WEDC CEO Nikki A. Hahn. As part of the event, attendees were invited to bring entrepreneur or business-related books to donate to WEDC's Lillian Vernon Business Lending Library, which equips WEDC program participants with valuable resources.

ness owners who, like my mother, know that true success means giving back generously to your community," said Hochberg. "Filomena and Amy embody that spirit."

"Both honorees show that it's possible to innovate as entrepreneurs, while also paying it forward and empowering others," said Hahn. "WEDC is happy to shine the spotlight on Filomena and Amy and the sizeable impact they've had in the Mid-Hudson Valley, Westchester and well beyond."

The Lillian Vernon Award was named for its first recipient, Lillian Vernon, who began a mail order catalog business in 1951 at her kitchen table in Mount Vernon and grew it into a multimillion-dollar empire and household name. She became equally well-known for her generous donations of funds and merchandise to nonprofits, as well as her keen interest in sharing her business acumen and inspiration with women entrepreneurs.

## Elsie H. Sheppard

**CHELSEA** - Elsie H. Sheppard (99 years of age) passed away on Friday, November 10, 2023, at home.

Elsie was born in Bronx, NY on January 26, 1924. She was only 3 lbs. when she was born and due to allergies could only have barley water. Her will and spiritual strength sustained her. She grew up to be an angel on earth, caring for and helping all those who knew her.

Elsie's parents, Marie and Emil Kiefer, owned Kiefer's Bakery in the Bronx, where she went to school and met her husband to be, Eugene John Sheppard. They were married on July 15, 1945.

In 1947 Elsie's parents bought a farm in Pine Plains, NY. Elsie and Eugene moved in and had 2 children, Lynne, and Mark.

The next move was to Chelsea, NY,

where her parents bought a house and Elsie and Eugene built a house on the property in 1957. There she became known as "ELSIE FROM CHELSEA". She attended Beautician School and opened The Pink Door beauty shop in their home. Her customers were more like friends than clients and she had the business for 33 years.

Then in 1990, Elsie and Eugene moved to Vero Beach, Florida, where they made their third home. She made absolutely beautiful stained-glass pieces, which she started doing while in Chelsea. Her favorite pieces to make were angels and crosses. She actually made stained-glass doors for their church in Vero Beach when she was 80 years old. Everyone she knew had a stained-glass piece from Elsie. She also played accordion by ear and had an organ as well, not to mention crocheting and other gifts always made and given with love.

Elsie was predeceased by her husband Eugene, parents Marie and Emil Kiefer, and her brother Emil and his wife Julie Kiefer.

She cherished and loved her family dearly, including her children, Lynne Sheppard and John, and Mark Sheppard and wife Debbie; grandchildren, Melanie Roberts and husband Kevin, and Michael Sheppard; great-grandson, Joshua Roberts; and many cousins and extended family members. Those left behind will cherish her forever; God blessed us with her.

Our family would like to thank all the wonderful caregivers and nurses who were instrumental in keeping Elsie safe and comfortable in her elder years at home in Chelsea.

A service was held at Zion Episcopal Church, 12 Satterlee Place, Wappingers Falls, NY 12590, on Sunday, November 19. Interment will be at a later date for immediate family.

In lieu of flowers, our family requests that donations be made, in memory of Elsie, to Zion Episcopal Church. Elsie's signature color was pink, and we know that she'd love to see anyone inclined to do so, wear something pink to her service. She was an Angel on Earth who has now joined the Angels in Heaven.

Arrangements are under the direction of Straub, Catalano & Halvey Funeral Home, 55 E. Main Street, Wappingers Falls, NY 12590. To send a personal condolence, please visit [www.StraubCatalanoHalvey.com](http://www.StraubCatalanoHalvey.com).

# Free classical concert to kick off festive activities at Bowdoin Park

The festivities kick off on November 27th at 6 p.m. with a free classical music performance by The Handman Quartet inside the historic Ellessdie Chapel at Bowdoin Park.

Dutchess County Parks will host an array of festive activities this holiday season at Bowdoin Park, at 85 Sheafe Road in the Town of Poughkeepsie, including a wreath lighting and classical music concert, piped holiday music, and a special session of the popular archery program.

Dutchess County Parks Director Susanne O'Neil said, "Bowdoin Park during the colder months is a scenic place to stroll and take in the winter views. What better way to enjoy the holiday season than with festive music and twinkling lights. Plus, our popular archery classes are a unique gift idea for that outdoor enthusiast on your list. We hope you'll join us this season as we help keep everyone's holiday spirit merry and bright."

The festivities kick off on November 27th at 6 p.m. with a free classical music perform-

ance by The Handman Quartet inside the historic Ellessdie Chapel at Bowdoin Park. The event will feature light refreshments and the performance will be followed by a ceremonial lighting of the wreath hung on the chapel's steeple.

Comprised of violinists Rachel Handman and Stephen Minor, violist Elizabeth Handman, and cellist Chris Santos, The Handman Quartet is a group of musicians with backgrounds that range from Broadway and Carnegie Hall performances to local symphonies to co-director of Arlington High School's orchestra program. The group performs numerous concerts throughout the year in a wide array of musical genres.

And starting at 3pm on Saturdays, December 2nd, 9th, and 16th visitors can enjoy holiday music piped from the Chapel

as Melodies at Dusk returns to the park.

Looking for a fun gift idea for outdoor enthusiasts, registration for this year's Gift of Archery session will open on December 12th. The program is designed for all skill levels ages 8 and up. Registration is \$70 and includes five sessions held alternating Wednesday evenings starting January 10th in the Bowdoin Park auditorium. Equipment is provided and registration is required by calling 845-298-4602.

Kevin McCurdy's Holiday Spirit Festival, located on Bowdoin Park property across Sheafe Road from the main park entrance, opens Friday, November 24th. For more information and tickets, visit [holidayspiritfestival.com](http://holidayspiritfestival.com).

Fill in the blank squares in the grid, making sure that every row, column and 3-by-3 box includes all digits 1 through 9.

## Suguru

The heavy lines indicate areas, called cages, from one to five squares in size. Fill each cage with unique digits, counting up from 1. So for example a 2-square cage contains the numbers 1 and 2; and a 5-square cage contains the numbers from 1 to 5. Adjacent (touching) squares, even ones that touch diagonally, may never contain the same number.
